Hon. Commissioner of Patents & Trademarks  
Washington, D.C. 20231

Sir:

AUG 9 1985  
L.C. Mason  
FOR THE COMMISSIONER OF PAT. & T.M.

It is respectfully requested that a Certificate of Correction be issued to correct an error in the printing of the patent. The error to be corrected is indicated on the enclosed Patent Office form PTO 1050.

The error is the omission on the title page of the patent of the identification of the Durckheimer et al USP 4,278,793 as a reference which was cited during the prosecution of the application. This is an important omission since Durckheimer was the reference primarily relied upon in rejecting the claims prior to their allowance. The Durckheimer patent was cited in the Office Action of October 27, 1982. A copy of said Office Action of October 27, 1982 (two pages) and the enclosed form PTO 892 identifying this patent as a reference are enclosed.

Favorable action is solicited.

Respectfully submitted,
